

ATTN: South Cypress Creek +
West Junction Redevelopment Project

DATE 10/12/2019

We the West Junction / Walker Homes Coalition and concern citizens of West Junction / Walker Homes Communities object the release of the grant funds under the grant number B-13-US-470002 of the HUD National Disaster Resiliency Grant under the Title 1 of the Housing and Development Community Act of 1984, P.L. 93-383 to undertake a project known as South Cypress Creek Watershed and West Junction Neighborhood Redevelopment for the purpose of helping the community address unmet recovery needs from the 2011 Flood. The West Junction / Walker Home Coalition is representing the 2011 Flood victims for their unmet recovery needs. On behalf of the 2011 Flood Victims have major concerns of health, Safety + environmental in the Flood zone area of West Junction Community and South Cypress Creek. We have mailed by Post office 225 petitions in objection of release of funds of the HUD National Disaster Resiliency Grant number the Title 1. Contract Number B-13-US-470002. We requesting a meeting with HUD and Memphis Planning and Development, as soon as possible with several concerns & issues. Here are a few concern and issues:

1) Why were the flood victims or coalition inform of public notice of Finding of No Significant Impact

2) Why were the flood victims or coalition inform of public notice of Design + Concepts of South Cypress Creek watershed + West Junction redevelopment project.

3) Why were we not notified of the environment review results were completed.

4) Why were we not notified of the removable repairs of South Cypress Creek, stormwater in for the protection of the prevention of massive flood in West Junction community.

5) What will the money allocated for South Cypress Creek watershed be used for?

6) Why where all the ideas, suggestions, needs for the West Junction to make it more resilient were ignored during the entire process of redevelopment?

7) We want a copy of the environmental review results.

8) We are requesting the a Environmental Impact Statement be done.

9) How are you going to help the unmet recovery needs for the 2011 flood victims that will not Buyout?

10) 2011 Flood victims feel their be significant impact and the well being of the Community is At Risk with no prevention flooding in place.

Hope to hear from you soon,
West Junction / Walker Homes Coalition
